

Accommodation in Izmir 2014

The following hotels have discounted rates for attendees of the RSA European Conference 2014 in Izmir, Turkey. Reservations can be made directly with the hotel where indicated (by email or via the website), or via Muge Duman from TeamCon, who are our conference co-organisers in Izmir. All hotels are centrally located within Izmir.

The conference venue is situated out of town; therefore a coach shuttle service will run from the main conference hotels below. If you decide to book a hotel elsewhere in Izmir, you can still use the shuttle service, but will have to get to the designated hotels by the time of departure.

There are a limited number of rooms available at the discounted rate within each hotel, for a limited time period. Please book your accommodation early to avoid disappointment.
