# Metropolises and Peripheries of CEE Countries: New Challenges for EU, National and Regional Policies

11<sup>th</sup> – 13<sup>th</sup> September 2019, Marie Curie-Skłodowska University, Lublin, Poland

## Policy Thursday, 12<sup>th</sup> September 2019

As part of the CEE conference we will again run a one-day Policy Day on Thursday 12<sup>th</sup> September 2019. This is after the great success of the 2017 and 2018 Policy Days held during the CEE and Annual Conference in Cluj and Lugano, respectively.

The 2019 CEE Conference Policy Thursday will provide a knowledge exchange platform and bring together policymakers, practitioners and academics working in areas concerned with economic regional development and policy. The CEE Policy Thursday will feature plenary presentations, paper sessions and debates on issues and inputs concerned with place-based policy in CEE.

**Keynote presentations and speakers:** *Watch this space, these will be uploaded in due course.*

**Join the Policy Thursday** and extend your professional network whilst benefiting from latest research, policy and development insights.
